Facility Management Framework Agreement

Agreement No. SYN-COST-006

between **Brightwater Labs s.r.o.**, Vinohradska 2133/112, 130 00 Prague 3, Czech Republic, company ID 19283746 (the "Customer")

and **Helix Facility Services a.s.**, Rohanske nabrezi 678/25, 186 00 Prague 8, Czech Republic, company ID 26173849 (the "Supplier")

1. Definitions and precedence

1.1 "Services" means the facility management services described in Schedules 2 to 4 for the sites listed in Schedule 1.

1.2 In case of conflict, the body of this Agreement prevails over the Schedules, and the Schedules prevail over call-off orders.

2. Appointment

2.1 The Customer appoints the Supplier as its non-exclusive provider of the Services for the sites listed in Schedule 1. The Customer may add or remove sites by giving three (3) months' notice.

3. Duration

3.1 This Agreement commences on 1 April 2026 and continues for an initial term of four (4) years, ending on 31 March 2030.

3.2 This Agreement then renews automatically for further periods of twenty-four (24) months unless either party gives notice of non-renewal no later than six (6) months before the end of the current term.

4. Service delivery

4.1 The Supplier shall deliver the Services in accordance with the Schedules and the KPIs in Schedule 5.

4.2 The Supplier shall appoint a contract manager with authority to act on its behalf and an on-site lead for each site larger than 3,000 square metres.

4.3 The Supplier shall mobilise the Services within sixty (60) days of the commencement date in accordance with the mobilisation plan in Schedule 6.

5. Personnel

5.1 The Supplier is responsible for employing, training and supervising its personnel and shall ensure they hold the qualifications required for their tasks.

5.2 The Customer may require the removal of any individual from its sites for reasonable cause.

6. Subcontracting

6.1 The Supplier may subcontract specialist services only with the Customer's prior written approval. The Supplier remains responsible for its subcontractors.

7. Charges

7.1 The Customer shall pay a fixed annual fee of CZK 2,400,000 (two million four hundred thousand Czech crowns), excluding VAT, in twelve equal monthly instalments.

7.2 Additional works outside the scope of the Schedules are charged at the rates in Schedule 7 on the basis of a written order.

7.3 The fixed fee is adjusted on 1 April each year from 1 April 2027 by the annual average inflation rate published by the Czech Statistical Office for the preceding calendar year.

8. Invoicing and payment

8.1 The Supplier shall invoice monthly in arrears. Invoices are payable within thirty (30) days of delivery to the Customer.

8.2 Late payment interest is charged at the statutory rate under Czech law.

9. Performance management

9.1 If the Supplier fails to meet a KPI in two consecutive months, the Supplier shall prepare a remediation plan within ten (10) business days.

9.2 Service credits for KPI failures are calculated under Schedule 5 and are capped at ten percent (10 %) of the monthly fee.

10. Audit

10.1 The Customer may audit the Supplier's compliance with this Agreement once per year on thirty (30) days' notice, and at any time following a material incident.

11. Intellectual property

11.1 Reports, registers and documentation produced for the Customer belong to the Customer. The Supplier retains rights in its tools and methods.

12. Liability

12.1 Each party's aggregate liability under this Agreement in any contract year is limited to one hundred and fifty percent (150 %) of the annual fee payable in that year.

12.2 Neither party is liable for indirect or consequential loss or loss of profit.

12.3 The limitation in clause 12.1 does not apply to damage caused intentionally or by gross negligence, or to damage to health.

13. Insurance

13.1 The Supplier shall maintain general liability insurance of at least CZK 50,000,000 per event for the duration of this Agreement.

14. Termination

14.1 Either party may terminate this Agreement by written notice if the other party commits a material breach and fails to remedy it within thirty (30) days of notice.

14.2 The Customer may terminate this Agreement for convenience after 31 March 2027 by giving nine (9) months' written notice.

14.3 The Customer may terminate this Agreement if the Supplier undergoes a change of control without the Customer's prior consent, by giving three (3) months' notice.

15. Exit

15.1 The Supplier shall cooperate with any successor provider and provide handover documentation, asset registers and maintenance histories during the last three (3) months of the term.

16. Confidentiality

16.1 Each party shall keep the other party's Confidential Information confidential and use it only for the purposes of this Agreement.

16.2 The obligations in this clause 16 survive termination or expiry of this Agreement for five (5) years.

17. Data protection

17.1 Where the Supplier processes personal data on behalf of the Customer, the parties shall enter into the data processing agreement set out in the applicable schedule, which complies with Article 28 of Regulation (EU) 2016/679.

18. Assignment

18.1 Neither party may assign or transfer this Agreement without the prior written consent of the other party, except to an affiliate in connection with a reorganisation.

19. Notices

19.1 Notices under this Agreement must be in writing and delivered by hand, by courier or by email with confirmation of receipt to the addresses stated above.

20. Compliance

20.1 Each party shall comply with applicable laws, including anti-bribery, sanctions and employment laws.

21. Force majeure

21.1 Neither party is liable for failure caused by events beyond its reasonable control provided it gives prompt notice and uses reasonable efforts to mitigate.

22. Business continuity

22.1 The Supplier shall maintain and test annually a business continuity plan covering the Services.

23. Entire agreement

23.1 This Agreement with its Schedules is the entire agreement of the parties on its subject matter.

24. Governing law and disputes

24.1 This Agreement is governed by the laws of the Czech Republic.

24.2 The courts of the Czech Republic, with the Municipal Court in Prague as the court of first instance where permitted by law, have exclusive jurisdiction.

Schedule 1 - Sites

Site	Address	Floor area (m2)	Service hours
Site 1	Vinohradska 112, Prague 3	4,200	Mon-Fri 06:00-20:00
Site 2	Rohanske nabrezi 678, Prague 8	6,800	Mon-Sun 00:00-24:00
Site 3	Hlinky 505, Brno	3,100	Mon-Fri 07:00-19:00
Site 4	Sokolska 1, Ostrava	2,400	Mon-Fri 07:00-18:00
Site 5	Na Florenci 15, Prague 1	1,900	Mon-Fri 07:00-19:00
Site 6	Technicka 3, Plzen	2,750	Mon-Sat 06:00-20:00

Schedule 2 - Hard services

2.1 The Supplier shall maintain mechanical, electrical and plumbing installations in accordance with the manufacturers' recommendations and applicable Czech technical standards.

2.2 Planned preventive maintenance shall follow the annual maintenance plan approved by the Customer by 31 January each year.

2.3 Heating, ventilation and air-conditioning systems shall be inspected monthly and filters replaced at least every three months.

2.4 Lifts and escalators shall be maintained by a sub-contractor approved by the Customer and inspected by an authorised body as required by law.

2.5 Electrical installations shall be revised at the intervals required by applicable regulations, and revision reports shall be uploaded to the Customer's document system within ten business days.

2.6 Fire detection and suppression systems shall be tested quarterly and after any modification.

2.7 The Supplier shall keep an up-to-date asset register containing location, condition, maintenance history and expected replacement date for each asset.

2.8 Reactive faults shall be classified as P1 (safety risk or loss of critical service), P2 (significant disruption) or P3 (minor) and attended within the KPI times in Schedule 5.

2.9 The Supplier shall maintain mechanical, electrical and plumbing installations in accordance with the manufacturers' recommendations and applicable Czech technical standards.

2.10 Planned preventive maintenance shall follow the annual maintenance plan approved by the Customer by 31 January each year.

2.11 Heating, ventilation and air-conditioning systems shall be inspected monthly and filters replaced at least every three months.

2.12 Lifts and escalators shall be maintained by a sub-contractor approved by the Customer and inspected by an authorised body as required by law.

2.13 Electrical installations shall be revised at the intervals required by applicable regulations, and revision reports shall be uploaded to the Customer's document system within ten business days.

2.14 Fire detection and suppression systems shall be tested quarterly and after any modification.

2.15 The Supplier shall keep an up-to-date asset register containing location, condition, maintenance history and expected replacement date for each asset.

2.16 Reactive faults shall be classified as P1 (safety risk or loss of critical service), P2 (significant disruption) or P3 (minor) and attended within the KPI times in Schedule 5.

Schedule 3 - Soft services

3.1 Daily cleaning of offices, meeting rooms, kitchens and sanitary facilities according to the cleaning specification agreed for each site.

3.2 Periodic deep cleaning of carpets and hard floors twice a year and window cleaning four times a year.

3.3 Waste management including separation of paper, plastics, glass, bio-waste and hazardous waste, with monthly reporting of volumes.

3.4 Reception and mailroom services during service hours, including visitor registration in line with the Customer's security policy.

3.5 Internal moves of up to 40 workplaces per month without additional charge; larger moves are quoted separately.

3.6 Pest control inspections monthly and on request.

3.7 Daily cleaning of offices, meeting rooms, kitchens and sanitary facilities according to the cleaning specification agreed for each site.

3.8 Periodic deep cleaning of carpets and hard floors twice a year and window cleaning four times a year.

3.9 Waste management including separation of paper, plastics, glass, bio-waste and hazardous waste, with monthly reporting of volumes.

3.10 Reception and mailroom services during service hours, including visitor registration in line with the Customer's security policy.

3.11 Internal moves of up to 40 workplaces per month without additional charge; larger moves are quoted separately.

3.12 Pest control inspections monthly and on request.

Schedule 4 - Helpdesk and reporting

4.1 The Supplier shall operate a helpdesk available 24 hours a day, 7 days a week, reachable by phone, email and the Customer's ticketing portal.

4.2 Each request shall be logged with priority, site, asset and timestamps for receipt, attendance and resolution.

4.3 The Supplier shall provide a monthly performance report by the tenth business day of each month covering all KPIs, incidents, open actions and energy data.

4.4 Quarterly business reviews shall be held between the parties' contract managers to review performance, improvement initiatives and the forward plan.

Schedule 5 - Health, safety and environment

5.1 The Supplier shall comply with all applicable occupational health and safety laws and the Customer's site rules.

5.2 The Supplier shall carry out risk assessments for all activities and provide method statements for high-risk work before it starts.

5.3 All Supplier personnel shall complete the Customer's site induction before starting work.

5.4 The Supplier shall report any accident, near miss or environmental incident to the Customer within 24 hours.

5.5 The Supplier shall support the Customer's ISO 14001 environmental management system and propose at least two energy-saving measures per year.

Schedule 5 - Key performance indicators

KPI	Measure	Target	Reporting
KPI-01	Planned maintenance tasks completed on time	>= 98 %	Monthly
KPI-02	Reactive P1 attendance within 2 hours	>= 95 %	Monthly
KPI-03	Reactive P2 attendance within 8 hours	>= 95 %	Monthly
KPI-04	Cleaning audit score	>= 90 %	Monthly
KPI-05	Helpdesk call answered within 30 seconds	>= 90 %	Monthly
KPI-06	Customer satisfaction survey	>= 4.0 / 5	Quarterly
KPI-07	Statutory inspections completed	100 %	Quarterly

KPI-08	Waste diverted from landfill	>= 70 %	Quarterly
KPI-09	Energy consumption vs baseline	<= 97 %	Quarterly
KPI-10	Health and safety incidents (lost time)	0	Monthly
KPI-11	Asset register accuracy	>= 98 %	Semi-annual
KPI-12	Invoice accuracy	>= 99 %	Monthly

Service credits: for each KPI below target in a month, a credit of one percent (1 %) of the monthly fee applies, subject to the cap in clause 9.2.

Schedule 6 - Mobilisation plan

Week	Activity	Owner
1	Kick-off, contacts and governance set-up	Both
2	Site surveys at all sites	Supplier
3	Asset register baseline	Supplier
4	TUPE-equivalent staff consultations where applicable	Supplier
5	Helpdesk configuration and testing	Supplier
6	Subcontractor approvals	Customer
7	Health and safety documentation review	Customer
8	Service go-live and first report	Supplier

Schedule 7 - Rates for additional works

Category	Rate (CZK)
Technician, normal hours, per hour	850
Technician, out of hours, per hour	1,280
Cleaner, per hour	420
Project manager, per hour	1,450
Materials	cost + 8 %

Schedule 8 - Data processing terms

8.1 Subject matter and duration: the processing of personal data of the Customer's employees, visitors and contractors for the duration of this Agreement for the purposes of reception, access management and helpdesk services.

8.2 Categories of data: name, employer, contact details, visit times, access card number, CCTV images where the Supplier operates the security desk, and helpdesk ticket content.

8.3 The Supplier shall process personal data only on documented instructions from the Customer, including with regard to transfers outside the European Economic Area.

8.4 The Supplier shall ensure that persons authorised to process personal data have committed themselves to confidentiality.

8.5 The Supplier shall implement appropriate technical and organisational measures, including access control, encryption of portable media, logging, and regular testing of the effectiveness of these measures.

8.6 The Supplier shall not engage another processor without prior specific or general written authorisation of the Customer and shall inform the Customer of any intended changes, giving the Customer the opportunity to object.

8.7 Taking into account the nature of the processing, the Supplier shall assist the Customer by appropriate measures in responding to requests from data subjects exercising their rights.

8.8 The Supplier shall notify the Customer without undue delay, and in any event within 36 hours, after becoming aware of a personal data breach, and provide the information the Customer needs to meet its own notification duties.

8.9 At the end of the provision of services the Supplier shall, at the Customer's choice, delete or return all personal data and delete existing copies unless retention is required by law.

8.10 The Supplier shall make available to the Customer all information necessary to demonstrate compliance with Article 28 of Regulation (EU) 2016/679 and allow for and contribute to audits, including inspections.

Schedule 9 - Security requirements

9.1 The Supplier shall maintain an information security management system aligned with ISO/IEC 27001 covering the systems used to deliver the Services.

9.2 Access to the Customer's building management systems shall use named accounts with multi-factor authentication; shared accounts are prohibited.

9.3 Remote access by subcontractors shall be approved per session and recorded.

9.4 The Supplier shall apply security patches to systems under its control within 30 days of release, or within 7 days for critical vulnerabilities.

9.5 The Supplier shall keep keys and access cards in a secured key management system and reconcile them monthly.

9.6 The Supplier shall report security incidents affecting the Customer within 24 hours and cooperate in their investigation.

9.7 The Supplier shall carry out background checks on personnel with unescorted access to data rooms, to the extent permitted by law.

9.8 The Supplier shall train its personnel in security awareness at induction and annually thereafter.

Schedule 10 - Site-specific annex: Hard services (Sites 1 to 6)

For each of Sites 1 to 6: The Supplier shall maintain mechanical, electrical and plumbing installations in accordance with the manufacturers' recommendations and applicable Czech technical standards.

For each of Sites 1 to 6: Planned preventive maintenance shall follow the annual maintenance plan approved by the Customer by 31 January each year.

For each of Sites 1 to 6: Heating, ventilation and air-conditioning systems shall be inspected monthly and filters replaced at least every three months.

For each of Sites 1 to 6: Lifts and escalators shall be maintained by a sub-contractor approved by the Customer and inspected by an authorised body as required by law.

For each of Sites 1 to 6: Electrical installations shall be revised at the intervals required by applicable regulations, and revision reports shall be uploaded to the Customer's document system within ten business days.

For each of Sites 1 to 6: Fire detection and suppression systems shall be tested quarterly and after any modification.

For each of Sites 1 to 6: The Supplier shall keep an up-to-date asset register containing location, condition, maintenance history and expected replacement date for each asset.

For each of Sites 1 to 6: Reactive faults shall be classified as P1 (safety risk or loss of critical service), P2 (significant disruption) or P3 (minor) and attended within the KPI times in Schedule 5.

Schedule 10 - Site-specific annex: Soft services (Sites 1 to 6)

For each of Sites 1 to 6: Daily cleaning of offices, meeting rooms, kitchens and sanitary facilities according to the cleaning specification agreed for each site.

For each of Sites 1 to 6: Periodic deep cleaning of carpets and hard floors twice a year and window cleaning four times a year.

For each of Sites 1 to 6: Waste management including separation of paper, plastics, glass, bio-waste and hazardous waste, with monthly reporting of volumes.

For each of Sites 1 to 6: Reception and mailroom services during service hours, including visitor registration in line with the Customer's security policy.

For each of Sites 1 to 6: Internal moves of up to 40 workplaces per month without additional charge; larger moves are quoted separately.

For each of Sites 1 to 6: Pest control inspections monthly and on request.

Schedule 10 - Site-specific annex: Helpdesk and reporting (Sites 1 to 6)

For each of Sites 1 to 6: The Supplier shall operate a helpdesk available 24 hours a day, 7 days a week, reachable by phone, email and the Customer's ticketing portal.

For each of Sites 1 to 6: Each request shall be logged with priority, site, asset and timestamps for receipt, attendance and resolution.

For each of Sites 1 to 6: The Supplier shall provide a monthly performance report by the tenth business day of each month covering all KPIs, incidents, open actions and energy data.

For each of Sites 1 to 6: Quarterly business reviews shall be held between the parties' contract managers to review performance, improvement initiatives and the forward plan.

Schedule 10 - Site-specific annex: Health, safety and environment (Sites 1 to 6)

For each of Sites 1 to 6: The Supplier shall comply with all applicable occupational health and safety laws and the Customer's site rules.

For each of Sites 1 to 6: The Supplier shall carry out risk assessments for all activities and provide method statements for high-risk work before it starts.

For each of Sites 1 to 6: All Supplier personnel shall complete the Customer's site induction before starting work.

For each of Sites 1 to 6: The Supplier shall report any accident, near miss or environmental incident to the Customer within 24 hours.

For each of Sites 1 to 6: The Supplier shall support the Customer's ISO 14001 environmental management system and propose at least two energy-saving measures per year.
